

YOUR IDEAL SECOND HOME?

Coastar offers an exclusive and contemporary retreat, with luxury accommodation in beautifully designed residences inspired by modern Western architecture. Ideal for families or those who seek peace of mind away from the bustling city, whilst still enjoying all the nearby facilities. Coastar is on a coastal road where multiple resorts and premium hotels with highest standards settled in Ho Tram - with access to the sandy beaches and distinctive community, including an international golf course and plans for an outdoor mall, making it the best investment and your dream home away from home.

DESIGN

With a great desire for the innovations of design, Coastar is a sophisticated and luxurious retreat that reflects the fulfilled lifestyle that you expect. Each villa is a masterpiece of design and craftsmanship featuring wood flooring, floor-to-ceiling windows overlooking the stunning infinity pool and tranquil lake.

LOCATION

Coastar is strategically located along the coastal road in Ho Tram, just 1 hour away from Vung Tau city and 2-hour drive by car from Ho Chi Minh City. Easily accessible to main points of interests such as the beach, golf course and casino, in addition to the perfect weather for all year-round tourism, Ho Tram has been the prime choice of investment by numerous world-class real estate brands. Therefore, the value of Ho Tram has been increasing exponentially in the last 5 years. With the exciting projects underway including Long Thanh - Dau Giay highway, Long Thanh International Airport, Loc An Airport, shopping malls and golf course, Ho Tram is predicted to become one of Asia's premier leisure destinations which makes Coastar a unique value for money investment opportunity.

LANDSCAPING

Nestled in a parklike environment with more than 2000 trees, each villa in The Willows is where you can unwind with your family after a busy period at work. The villa exudes elegance inspired by English suburban villages, while still provide modern facilities for your convenience. It represents the world-class standard we strive to provide you.
